Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding administrative amendments No. 9 and 11, which make technical adjustments to the Stanislaus Council of Governments' (StanCOG) 2002/03-2004/05 Federal Transportation Improvement Program (FTIP). These amendments have been found by StanCOG to not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's), or financial constraints and do not result in major scope changes.

These amendments have not been submitted by StanCOG through the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,

**ORIGINAL SIGNED BY**

Kris Balaji, Chief  
Office of Federal Transportation Management Program
